Team Representatives
Of the Moose Light Monctonian Adult Recreation Tournament

Dear Team Representative:

On behalf of the Slowpokes Hockey Team and the Staff of the Red Ball Internet Centre, Welcome to our annual tournament. We want to remind everyone of the Beer Policy at the Red Ball Internet Centre.

All beer and alcohol that is consumed within the facility must be purchased from Slapshots Family Restaurant located on the 2nd floor of the facility. The restaurant could lose their liquor license if any team brings beer or alcohol into the facility.

Any team/persons that violate this policy will be fined \$100 for the first offence and asked to leave this year's tournament and may not be allowed back in future tournaments if there are any other offences. All beer will be sold at a price of \$3.75 per beer. The facility will also provide free delivery service of ice cold beer to your dressing room. You can order your beverage prior to your game for delivery to your dressing room at the end of your game and all orders must be prepaid.

Slapshots Family Restaurant is a full service restaurant that offers buffet breakfasts as well as excellent meal service.

Thank you for participating, enjoy your time with us and come back next year.

Please sign this form to indicate that you have read this letter and that you have informed your team of this policy and return prior to the tournament.
